

## Cast Iron Table

The cast iron table takes the language of industry and puts it on display within the home. It is a series of side tables which are cast in iron as a single piece of metal. The table expresses the fluidity of the molten iron used to create the curved shapes while the top displays the intricacy of technique used to make a nearly perfect surface.

### Sizes

See illustration

### Materials

Cast Iron (ductile)

### Finish

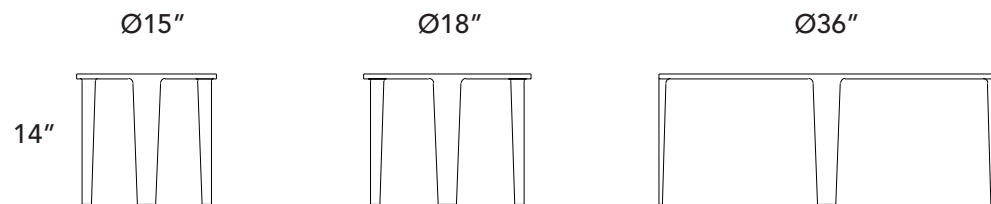

Black and clear polyurethane

### Price

\$1200 - 4055 USD / \$1600 - 5400 CDN

### Lead Time

12 weeks
